## **Expedited LEO Review Request Process 73 Total Calendar Days**

QF completes "LEO Review Request" form. The QF does not need to hire an attorney to complete the form or represent them in the expedited process.

The Staff has 5 days to notify the QF of its determination of prima facie showing that an LEO exists.

Within 5 days, Staff notifies utility of the QF's LEO review request.

Within 14 days of the QF response, Staff will meet jointly with the QF and the utility to attempt to mediate the dispute.

The QF has 14 days to respond to the utility's response.

The utility files its response with Staff within 21 days.

Within 14 days of the mediation meeting, Staff will prepare a memo with its findings and send it to the QF and the utility.

Should the Staff find that an LEO exists, the QF's project may proceed to provide energy and/or capacity to the utility and the utility shall proceed with its obligation to purchase energy and/or capacity from the QF pursuant to the LEO.

Days are calendar days.
